## **PRESS RELEASE**

Date: 08/18/2016

Case Number: 16ES04631

**Narrative:** On August 18, 2016 at approximately 12:52 am the Essex Police Department responded to the area of Links at Lang Farm on Essex Way for a reported theft. A witness reported observing multiple golf carts being driven on Essex Way and Doubleday Lane and one of the golf carts had been crashed. Two additional golf carts were located on nearby streets.

In the process of searching the area, a young male approximately 16-18 years of age wearing dark clothing was spotted hiding behind the Church of Jesus Christ of Latter Day Saints. The male fled when he saw officers searching the area. The male ran towards a bike path located on the east side of the golf course, which runs along the golf course from Essex Way to Beech Street in the Countryside Development.

Further investigation showed the golf course had also been damaged from the golf carts but the extent of the damage to the golf course is unknown at this time

The Essex Police are requesting assistance with identifying anyone responsible for the damage caused to the Links at Lang Farm, or their whereabouts. Anyone with information is asked to contact the Essex Police.
