## **PRESS RELEASE**

Date: 05-11-2013  
Case Number: 13ES02536

Update: The body of the male subject recovered from Indian Brook was identified as 41yo Edward Daggett of Essex. The cause of death in the incident is still under investigation pending the results of an autopsy. At this time there is no reason to believe the death is suspicious.

Narrative: On 05/11/2013 at about 4pm the Essex Police with the help of Colchester Technical Rescue recovered the body of a male subject from Indian Brook Reservoir. The subject was found in the water neat the dam. The identity of the subject has not yet been released pending notification of the family. The exact cause of death is unknown at this time. There are no indicators of foul play and no believed danger to the public. The matter is still under investigation..
