PRESS RELEASE

Date: January 23, 2014
Case Number: 14ES00475

The Essex Police is seeking the public's help in getting information for an animal complaint that occurred on January 23, 2014 at approximately 3:05 pm on South Street in Essex Junction. An older male and a female were at the beginning of the driveway located at 317 South Street walking their 2 black dogs. One of the dogs got away from the owners and attacked a herd of cows. The female spoke with a possible European accent and the couple was seen getting into a vehicle, possibly a white Subaru with a vanity plate. We are attempting to ID the couple and dogs involved in order to verify the dogs' vaccines. Anyone with information is asked to call the Essex Police Department.
