PRESS RELEASE

Date: 09-19-13
Case Number: 13ES05698

Narrative: The Essex Police Department investigated an attempted armed robbery at a residence on Main Street in the area of the Five Corners which was reported at 09:12 PM. A lone male knocked on the door of the residence. When the resident answered he was threatened with a black handgun and the male demanded money. The victim was able to wrestle the gun away from the male. It turned out to be a pellet gun. No shots were fired and there were no injuries. Nothing was stolen. The Essex Police Department was assisted by a UVM Police Services canine.

The suspect is described as: a white male between 30 and 38 years of age, with dark hair, a goatee and moustache, and about 5'8" tall with a weight of about 170 lbs. He was wearing a black baseball type hat, a black hoodie, dark pants and had a soft, but gruff voice. The male was right handed. He may have been under the influence of drugs or alcohol. He appeared rougher and more aged than the composite included.
