PRESS RELEASE

Date: 05/08/2015

Case Number: 15ES02621 / 15ES02622

Narrative: On Friday, May 8, 2015 the Essex Police responded with the Essex Fire Department to two separate suspicious brush fires. The first fire was reported at approximately 1856 hours and was located at the end of Parizo Drive at a trail head. This trail leads to the Pearl Street Park. The second fire was reported at approximately 2039 hours and was located in the wooded area near the railroad tracks across the street from Green Mountain Harley Davidson on Pearl Street in Essex. Both fires were able to be extinguished by Essex Fire with minimal damage.

Witnesses from both fires reported seeing two subjects wearing dark clothing leaving the area. At least one subject may be a female. We are looking to speak with these two subjects.

The Essex Police is requesting that if you were in the area at the time and observed any suspicious activity to please contact the Essex Police Department. The Essex Police would also like to remind everyone that there is a State wide ban on burning, to include residential fire pits.
