Welcome!

to the 2016 - 2017 Extended School Program Fall Brochure!

The Extended School Program (ESP) continues to provide quality after school programs for Essex youth. The Assistant Program Coordinator and the ESP Staff Monitors are on-site during ESP class hours and perform duties under the direction of the Essex Parks and Recreation Department. The ESP program has had a long and rewarding relationship with the Essex Town School District and the Essex Town PTO and we would like to thank them for their continued support. Suggestions or concerns about the program should be brought to the attention of the Assistant Program Coordinator, Samantha Crocker and/or the Program Coordinator, Adriane Martin.

Session Dates and Deadlines

be sure to mark your calendars - programs fill up quickly!

Class Times and Arrival

Due to space requirements, there is no universal start time or end time for our programs; however, all children are dismissed to our ESP Staff Monitors at the end of the school day.
Make sure that you note each class' specific end times for pick up purposes. Children will NOT go home before class begins. All students will be dismissed to our ESP Staff Monitors for attendance and snack and will then be escorted to the proper location for their program to begin.
ESSEX ELEMENTARY SCHOOL: Students will be directed by their teachers to the A-Pod Common Area for attendance and snack.
FOUNDERS MEMORIAL SCHOOL: Students will be directed by their teachers to the Cafeteria

Pick Up and Sign Out Procedures

Children should be picked up in the program location referred to in the program description. If your child is picked up late repeatedly, any future participation may be jeopardized. Please be on time and refer to our **late fee policy**. When you pick up your child(ren), you MUST sign them out on the sign-out sheet provided by our ESP Staff Monitor. Identification will be requested on the first pick-up of each adult unknown to our staff members. If someone other than the parent will be picking up, you MUST notify our office (in writing), before programs begin that day, to allow proper time to notify our staff. Please email us at recmail@essex.org and **CC: scrocker@essex.org** to notify our office.

Late Fee Policy

The Essex Parks and Recreation Department works diligently to provide cost-worthy programs. The affordability of our programs greatly depends on the promptness of parent pick up. Please pay close attention to the end time and pick up location of your child's programs. The late fee charge is \$1.00 per child for every minute you are late **after** the first 5 minutes. After those first 5 minutes, a charge will be made to your household account. The fee must be paid within 5 business days. To pay your balance, you may come to the Essex Parks and Recreation office or pay online by logging into your account. For consistency purposes, the time will be recorded according to the time posted on the ESP Staff Counselor's cell phone.

Bus Transportation

Bus transportation will be provided to all of our off-site locations. These locations consist of: The Edge of Essex on Gauthier Drive, MetroRock and Sparetime in Colchester. Children will be picked up at their school and then dropped off at the location designated in the program description. If your child will be participating in a program that transports them, please talk to them about appropriate bus behavior. We are lucky to be working with Mountain Transit and would like to continue utilizing them for future programming needs. Spare Time will be providing their own transportation but the same expectations will apply.

Snack Time!

Snack will be included in all program prices and each child will be offered a snack before the start of programs. Children will not be able to choose which snack they receive. Snack will be chosen by the Coordinator in advance and each child in the same program will receive the same snack. We are **not** a nut-free or gluten-free program; however, we do our best to provide snacks that are not made or manufactured in facilities that handle nut products and a gluten-free option. Please communicate with the ESP Coordinator, Samantha at scrocker@essex.org for any special concerns or allergies your child may have.
COMMON SNACK ITEMS: Goldfish | Animal Crackers | Cheez It's | Go Go's Applesauce | Gummies
 Wheat Thins | Popcorners | Veggie Straws | Rice Krispie Treats | Nutrifrain Bars | Sunchips

Absences

If your child is going to be absent from one of our programs, please notify our department as soon as possible. Our office will communicate your child's absence with the Coordinator and the ESP Staff Monitors on-site.

Discipline

ESP has a procedure for working through situations where students' behavior is repeatedly inappropriate. Our written guidelines and appeal procedures are presented to all instructors and staff. You may request a copy by calling the Essex Parks and Recreation Office. If your child acts out inappropriately, you will receive a Discipline Action Form at program dismissal. This needs to be completed with your child and returned to our staff prior to the next program meeting. Continued poor behavior may result in missing a program day or dismissal from the program. **We strive to be proactive in our programs and policies rather than reactive.** The best way to achieve this is to have open communication between staff and parents; we appreciate your cooperation.

Special Needs

Should your child have any special needs, please indicate these on the registration form. This information is important for the ESP Staff and Instructors to be aware of. The Assistant Program Coordinator will communicate with you about any additional special arrangements needed to ensure your child's success in our programs. Your information is private and will not be shared outside of staff and instructors.

ESP Counselors

The Extended School Program is always hiring Staff Counselors to provide more options and additional supervision to our programs. If you know someone that would be interested in obtaining a position among our staff, please contact Samantha at scrocker@essex.org!

Volunteers

The Extended School Program experiences greater success when volunteers are an active part of our program. Volunteers are often needed to help instructors, ESP Staff Monitors, participants and parents. We invite all individuals who can make a commitment to our program to volunteer for the after school program and enrich children's experiences. Your help is always needed and your efforts are appreciated! Volunteers over the age of 18 must complete a background check before volunteering.

Registration Information

The Essex Parks and Recreation Department operates the Extended School Program (ESP). There are no ESP personnel at the schools or District Office. **Please do not submit registration forms or coloring contest entries to the schools. Please do not contact the schools regarding the ESP program - they will only refer you to the numbers listed (above) in this brochure.**

Registration is processed daily as received on a first-come, first-serve, paid basis, unless otherwise indicated in the program description. Registration can be made **in-person** at the Parks and Recreation Office located at 81 Main Street, Essex Junction, VT 05452. **Mail** should still be directed to 81 Main Street, Essex Junction, VT 05452 for forwarding purposes.

Online Registration is available at www.essexparksandrec.org using the web registration portal link located on the homepage. Please contact our office if you are having any troubles with the online system - we will be more than happy to guide you through the process!

Deadlines

If a class is filled before your registration is received, you will be notified regarding a second choice or of a waitlist enrollment. A receipt will be emailed to you, whether you register online or by mail, confirming your child's enrollment. You will only be called if your child **did not** get into a program. Essex residents (Town and Village) have first priority for classes.

Refunds

If a course is cancelled due to low enrollment, or for other reasons made by the recreation department, you will be contacted and issued a credit or refund for the program price. If a class is cancelled during the session, the department will make every effort to schedule a make-up class. If rescheduling is not possible, refunds will not be issued for that class. Refunds or credits are granted only when notified one (1) week prior to the start of the program. There is a \$5.00 administrative fee charged for each program refunded. Unless there is a specific cancellation deadline for a program. Please check details of programs for variation.

Payments

Our office accepts cash, check, Visa and MasterCard. Please be aware that we can only accept credit card payments when made with our online system or for in-person registrations. We cannot accept credit card payments over the phone or through a mail-in registration form.

Scholarships

Through a grant generously provided by the Essex PTO, scholarships are available to the Essex Town School District students. If you are interested in obtaining a scholarship for your child, please contact the guidance office at your child's school as soon as possible as there are a limited number of scholarships available at each school.

Instructors Wanted

Our department is always interested in offering new and diverse programs to the community and we ask for your thoughts and ideas regarding programs. If you have a skill or a hobby you would like to teach, or know someone who would like to teach, please contact Samantha at scrocker@essex.org or call our office at (802)878-1342.

THANK YOU!

Thank you to Essex Elementary, Founders Memorial and Essex Middle School Staff for their cooperation and participation! We would also like to thank MetroRock, the Edge of Essex, Fly Rod Shop, Sawmill Studio and Spare Time for helping to coordinate new after school program options!

Prepare your child for ESP

The first time your child does something new it can be a bit unnerving - especially for Kindergartners getting used to a full day school schedule. Here's how you can help prepare your child for a great ESP experience:

Remind them that they are going to an ESP program. Do you have a family calendar? Writing it on a calendar can help them understand what days they will be attending.

Provide a snack for ESP if they decide they don't like the one we have provided. Label this "ESP Snack" so they won't eat it during their lunch time.

Make a plan for what your child should do in case they accidentally take the bus home - like visiting a neighbor that is home.

Let them know which adult will be picking them up. When they don't know who will be picking them up, often times children think they are being forgotten if you aren't right on time.

Create a habit of preparing an "activity bag" the night before. Include spare clothes, proper footwear and anything else they may need for their enrolled program. This will ease their mind knowing they are prepared and ready to go.

Empower your children to choose which program they would like to sign up for. They will feel less stressed and more confident about the program. Budgeting? Allow your child to choose from your choices.

Any other suggestions? Send them to scrocker@essex.org

Registration begins at 8:00 a.m. on September 12th! Don't be late!

Survival Skills

424070 A

Learning how to survive in the woods is a skill that everyone should know! Survival skills are not just for a lost hiker, but can be used for something as fun as camping with your family. Each week brings a new skill set to be learned! Skills range from shelter building to fire building, wildlife tracking plus much more. This program is both interactive and fun! Our goal is to get kids using their hands and engaging in problem solving activities. All equipment is provided by the Fly Rod Shop for each lesson. Kids will also learn how to identify edible plants that are native to our Vermont woodlands, how to use a map and compass to navigate, and how to purify water from a stream so it is safe to drink. Kids are guaranteed to leave with a smile and with new skills that they can take with them wherever they go!
