**Water Resource Information Request to Municipalities and External Stakeholders  
for the Lamoille Tactical Basin Plan (Chittenden County communities)**

PLEASE PROVIDE INFORMATION BY MARCH 31, 2016 to:

Dan Albrecht, Senior Planner @ Chittenden County RPC: [dalbrecht@ccrpcvt.org](mailto:dalbrecht@ccrpcvt.org)

1. Is anyone conducting chemical or biological assessments of the waters in your town?
  - a. Who is doing the assessment?
  - b. What are they measuring and why?
2. Is anyone conducting water resource and infrastructure related assessments? (e.g. culvert or bridge inventory, stormwater mapping or planning, agricultural assessments, etc.)
  - a. Who is doing the assessment?
  - b. What are they measuring and why?
3. Are there any highly valued waters in the community? (e.g. swimming or fishing holes, wilderness like areas associated with water resources, gorges and waterfalls, etc.)
  - a. Please provide name, description of area (or lat/long), use(s), and user group.
4. Are there any areas of concern in relation to water resources? (e.g. pollution, fish kills, smelly water, significant algae growth, dirty water flows, stream bank failures, flooding, development encroachment near highly valued waters, etc.)
  - a. Please provide a concise explanation of the concern, waters affected, when it happened or timeframe it has occurred or is occurring in (ex. Since the 2011 flood and every time it has flooded since), location description (or lat/long), and what or who is it impacting.
5. Are there any water quality related projects happening in your town? (e.g. stormwater retrofits, culvert replacements, roadside ditch upgrades, information gathering, riparian tree plantings, etc.)
  - a. Please provide a project description, description of area (or lat/long), who is implementing or working on the project, when will it or did it happen, and the reason for the work or how it will address the water quality issue

As a community member, stakeholder group, or municipality, if you already have a list of any of the above inputs, please feel free to provide that list, and reference which question you are addressing, if that is easier to do.

Your Regional Planning Commission will be requesting information to catalogue municipal zoning protectiveness with respect to water quality and adoption of water quality related bylaws or plans in your town. The municipality will supply that information in addition to this request.

I have supplied forms to answer these questions as well.

Thank you so much for taking valuable time out of your busy day to help keep the

please forward responses to: Dan Albrecht, Senior Planner @ Chittenden County RPC: [dalbrecht@ccrpcvt.org](mailto:dalbrecht@ccrpcvt.org)

Question 1. Is anyone conducting chemical or biological assessments of the waters in your town?

Who?	What is being measured and where?	Why?

please forward responses to: Dan Albrecht, Senior Planner @ Chittenden County RPC: [dalbrecht@ccrpcvt.org](mailto:dalbrecht@ccrpcvt.org)

Question 2. Is anyone conducting any water resource and infrastructure related assessments? (e.g. culvert or bridge inventory, stormwater mapping or planning, agricultural assessments, etc.)

Who?	What is being measured?	Why?

please forward responses to: Dan Albrecht, Senior Planner @ Chittenden County RPC: [dalbrecht@ccrpcvt.org](mailto:dalbrecht@ccrpcvt.org)

Question 3. Are there any highly valued waters in the community? (e.g. swimming or fishing holes, wilderness like areas associated with water resources, gorges and waterfalls, etc.) \*Coordinates are only needed for locations that are difficult to describe.

Name of Waters and Site	Description of Area	Latitude/Longitude*	Use	User Group

please forward responses to: Dan Albrecht, Senior Planner @ Chittenden County RPC: [dalbrecht@ccrprcvt.org](mailto:dalbrecht@ccrprcvt.org)

Question 4. Are there any areas of concern in your town in relation to water resources? (e.g. pollution, fish kills, smelly water, significant algae growth, dirty water flows, stream bank failures, flooding, development encroachment by highly valued waters, etc.)

Explanation of Concern	Waters Affected	Description of Location	Lat/Long*	Timeframe	Impact Description	
					Who	What

please forward responses to: Dan Albrecht, Senior Planner @ Chittenden County RPC: [dalbrecht@ccrpcvt.org](mailto:dalbrecht@ccrpcvt.org)

Question 5. Are there any water quality related projects happening in your town? (e.g. stormwater retrofits, culvert replacements, roadside ditch upgrades, information gathering, riparian tree plantings, etc.)

Project Description	Description of Area	Lat/Long*	Who did the work?	When?	Reason for the work

please forward responses to: Dan Albrecht, Senior Planner @ Chittenden County RPC: [dalbrecht@ccrprcvt.org](mailto:dalbrecht@ccrprcvt.org)
