Be sure to complete the next page with details of exact location within lot or group of lots.

Full casket burial _____ Cremated remains burial _____ Veteran? Yes / No

Name of deceased: _____

Address at time of death: _____

City/Town and State where death occurred: _____

Date of death: _____

I hereby certify that I am the (state relationship) _____ of the above-named decedent, and that this is your authority to make disposition of the remains of said decedent as indicated above. I hereby certify that I have the right to make this authorization, and I agree to hold Mountain View Cemetery, in the town of Essex, and its officials and employees harmless from any liability on account of said authorization and interment.

Signature: _____ Date: _____

Print name: _____ Address: _____

Phone number: _____ Funeral Home: _____

Grave digger: _____ Funeral Director: _____

In the absence of any religious restrictions, notice of at least forty-eight (48) hours is required before an interment will be made.

In order to assure that remains are interred where desired, please give further directions concerning exact location. **Feel free to add any details such as markers, “next to”, “to the right (or left) of”, or “between” descriptions to make this as clear as possible.**

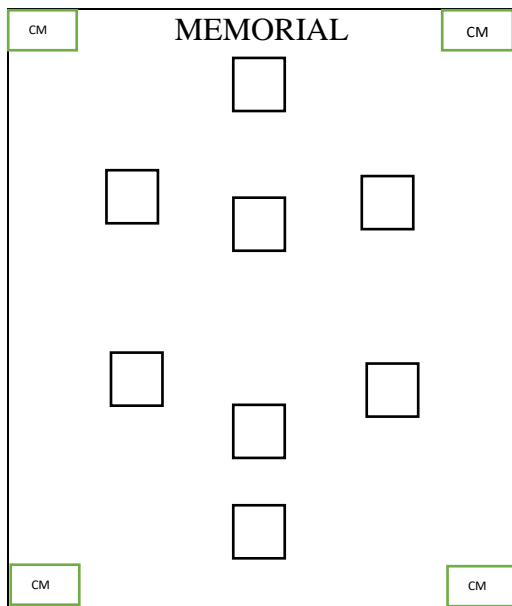

FULL CASKET BURIAL:

CREMATED REMAINS: Up to four cremated remains may be interred in a single 4' x 12' lot.

Please put an “X” in the box where the cremains will be buried. Think about any future interments in this space when you decide. Reminder – a flush stone should be placed above the location of the urn/urn vault.

Dimensions of non-biodegradable urn _____ OR Size of urn vault: _____

NOTE: In the oldest section of the cemetery (the Mansfield section) gravesites may not fit the diagram below. Sometimes the memorials were placed at the bottom of the gravesite, not at the top as indicated below. You may draw your own diagram if needed or desired.
